7. Frequently Asked Questions (FAQ)

Q1: Can I work remotely from another country?

Yes, but only for up to 30 calendar days per year. You must request approval from HR and your manager.

Q2: What happens if I lose my company laptop?

Report it immediately to IT Security. A remote wipe will be initiated. You may be required to file a police report.

Q3: Do I need approval for business travel?

Yes. All travel must be approved by your manager and recorded in the Travel Request System (TRS).

Q4: How do I claim expenses?

Submit expenses through the Finance Portal. Attach receipts and provide a short business justification.

Q5: What is the company policy on personal devices (BYOD)?

BYOD is allowed only for email access. Devices must be enrolled in Mobile Device Management (MDM).

Q6: How often do I need to change my password?

Passwords must be updated every 90 days. Reuse of the last 5 passwords is prohibited.

Q7: Who do I contact for harassment complaints?

You can contact HR directly or use the anonymous Ethics Hotline available on the intranet.

8. Appendix: Example Internal Memo (Long Form Text)

In order to ensure operational continuity and compliance with international security standards, ACME Tech Solutions requires all employees to follow documented processes when accessing production systems. Production access is granted only after completion of security training and approval from the Engineering Director.

All access requests must include a ticket reference number, business justification, and the expected duration of access.

Temporary access is automatically revoked after the stated period expires. Permanent access must be reviewed every six months.

Employees must never store customer data on local devices unless explicitly authorized. Sensitive data includes personal identifiers, payment information, and confidential business records. Any suspected data breach must be reported to the Security Incident Response Team (SIRT) within 30 minutes.

Failure to comply with these requirements may result in disciplinary action, including termination of employment.
